

CERTIFICATE

OF PARTICIPATION

THIS IS TO CERTIFY THAT

MICHELE PASQUA

SAEM IMPIANTI SRL

for participating in the

CAL2025

Beamex Calibration Awareness and Learning Day

in collaboration with Danetech S.r.l., held in

Modena, Italy on November 7, 2025.

The participant took part in expert-led sessions and hands-on demonstrations covering:

- Calibration best practices and industry compliance
- Digital transformation in calibration
- Practical use of the Beamex Calibration Ecosystem, including MC6, LOGiCAL, bMobile and CMX

This engagement reflects a commitment to learning and contributing to smarter, safer calibration practices.
